

SPEAKER BAACK: LR 55 is adopted. We'll got to LR 56 by Senator Withem.

CLERK: Senator Withem offers LR 56, Mr. President, found on page 1016 of the Journal.

SPEAKER BAACK: Senator Withem.

SENATOR WITHEM: Yes, Mr. Speaker, members of the body, this is another congratulatory resolution. Jodi Janssen is a student at Papillion-LaVista High School, an outstanding student, has her third year as the state diving champion. This is a resolution honoring her. You might notice the...one of the things Jodi has been able to do is despite the last name, despite her last name, has been able to achieve a great deal in school. And, with that, I would like to give the rest of my time to Senator Janssen.

SPEAKER BAACK: Senator Janssen.

SENATOR JANSSEN: Mr. Speaker, members of the body, I, too, would like to offer my congratulations to Jodi. I know the hard work that she has put into achieving her goals and the time that her family has spent taking her to different meets during the summer, interrupting their vacation and one thing and another. And it is an individual sport, swimming, and the competition is keen and you're the only one out there. You have...you don't have other team members to help you in these sports. And it does run in our family. I had two boys that were state golf champions several years ago, back in the seventies, and I realize the thrill the family gets and the competitiveness that comes with individual sports such as this. So, therefore, I would like to offer my congratulations to Jodi again.

SPEAKER BAACK: Thank you, Senator Janssen. Anyone else wishing to discuss LR 56? Seeing no one, we will now vote on LR 56. All those in favor vote aye, opposed vote no. Have you all voted? Record, Mr. Clerk.

CLERK: 21 ayes, 0 nays, Mr. President, on adoption of LR 56.

SPEAKER BAACK: LR 56 is adopted. We'll go to LR 57 by Senator Withem.
